ADPROBATIO.

MAndante Emo, & Rmo Domino Leonardo Antonellio S. R. E. Cardinale, & sacrae congregationis de propaganda Fide, eiusque typographiae Praefecto, legi, & expendi summa cum diligentia, & cura Breviarium feriale Syriacum SS. Ephrem, & Iacob Syrorum iuxta ritum eiusdem nationis a feria II. usque ad sabbathum iuxta exemplum editum anno 1696., nihilque me offendisse profiteor, quod catholicae fidei adversaretur, vel Syriacae ecclesiae ritibus detraheret, immo omnia ita accurate, & concinne digesta inveni, ut ad confirmandas catholicas veritates, & ad haereses oppugnandas plurimum valere possint. Haec me iuxta Fausti Naironii Banensis viri doctissimi mentem, qui primam Romanam huius Breviarii editionem approbavit, sentire vehementer gaudeo; nec sane me deceptum iri verebor, si eamdem approbationem ad officium Dominicale, quod nunc primum accedit, extendendam diiudicem.

Datum Romae nonis iulii anno Domini 1787.

Ego Elias Fatthalla Syrus Presbyter Amidensis ex Mesopotamia.

Nec novum cuiquam videatur, si in ea ultimus veluti locus Dominicali Officio datur: sic enim ordo, & ritus hebdomadalium Officiorum apud antiquos Sorianae Ecclesiae postulasse creditur, ut *beatae quietis, & laetae tum Christi, tum etiam futurae nostrae mysteria*, quae Dominico die celebrantur, *cum septimo, & octavo die coniungerentur*. Duo enim haec in hoc ipso, quod edimus, Officio solemniter recoluntur. Eumque ordinem haud dubie prae oculis habuisse videntur maiores nostri, qui saeculo superiori typis mandarunt feriale Officium: quippe qui in adiecta finali rubrica *sex* tantum *dierum* Officia ad nonam usque horam sabbati numerarunt. Quo certe monito satis aperte indicarunt, a vesperis eiusdem sabbati exordium sumere *diem* ecclesiasticum *septimum*, cumque eo *octavum* sequentem coniungi. Cautum itaque est, ut antiqui Sorianorum Patrum ritus in hac etiam parte integri servarentur.

Hoc igitur Officio uti debent Syri in diebus Dominicis, quibus peculiare aliquod officium, tamquam illius diei proprium, iuxta eorum ritum, adiunctum non est; atque ita quidem fiet; ut psalmodiam, hymnos, & cantica feriae quartae reperire in die Dominico minime cogantur, sed singulis quibusque diebus cuiuslibet hebdomadae suum quoque Officium respondeat, & quae una semper religionis, ac obsequii nostri summo ac omnipotenti Deo tribuenda laus est, etsi in cordis, ac mentis integritate praesertim contineatur, attamen ipsa quoque oris confessione, in singulos hebdomadae dies per diversos psallendi, ac precandi modos apte disposita, recto ordine ad Dei honorem, & Syriacae nationis utilitatem concordissime persolvatur.

Hinc speramus futurum, ut Sacerdotes nostri Syri intelligere velint, quam pura, & casta erga eos sit sollicitudo, & voluntas sanctae Romanae
